Dear Friends:

Southern Delaware Therapeutic Riding (SDTR) has been serving the residents of Sussex County and surrounding areas for over 35 years. Our mission is to improve the physical and emotional wellbeing of children and adults living with disabilities through equine assisted services in a supportive environment for riders and families.

SDTR is holding our 3rd Kentucky Derby Day Watch Party on Saturday, May 4, 2024, from 4:30-7:30 pm, and we invite you to consider supporting SDTR's mission by becoming a Sponsor. The event will include: a watch party of the Kentucky Derby, an auction-parade of horses, best hat and crazy pants contest, and an opportunity to take a chance on win, place or show. We will be serving heavy hors d'oeuvres and an assortment of drinks including the famous Mint Julep. You will find attached more information about Sponsorship. Our Sponsors will be included in social media, marketing materials, the program, and our full page Cape Gazette article.

Riding has been shown to improve balance, muscle strength and coordination, increase range of motion, improve reflexes, and stretch tight or spastic muscles. In addition to the physical benefits, improvements in self-confidence, independence and freedom of movement without walkers and wheelchairs, and development of self-discipline, and emotional control are regular outcomes. Our participants have a variety of conditions including autism, cerebral palsy, muscular dystrophy, multiple sclerosis, ADHD, Down syndrome, cognitive and emotional behavioral issues. We have also implemented a Veterans' Program.

We thank you for considering a Sponsorship to support SDTR, and we hope you can join us for this special event.

Let's Saddle Up!

Scott D. Swingle

SDTR, President

Linda K. Berdine

Chair of Event
