

Participants of SDTRHR's 13th Annual Beach Ride & Walk Raise \$9,960

Southern Delaware Therapeutic and Recreational Horseback Riding, Inc. (SDTRHR) would like to thank all of the dedicated participants and volunteers who attended our 13th Annual Spring Beach Ride & Walk held at Cape Henlopen State Park on April 10, 2010. The beautiful weather brought many old and new friends out to the park to show their support for SDTRHR and enjoy a fun day on the beach! There were 128 devoted horseback riders from Delaware, Maryland, Pennsylvania and New Jersey who made this a very successful fundraiser. The grand total raised was \$9,960. The top fundraiser was Debbie Smith who raised \$400. SDTRHR participants excelled again in raising funds this year with the top fundraiser being Olivia Davidson who raised \$487.

All proceeds directly benefit SDTRHR, which provides equine-assisted activities to adults and children with physical, emotional and mental needs in Sussex County. The money raised from this year's ride will go towards horse care for the program's four-legged therapists and rider scholarships which enable riders to participate regardless of financial ability.
