

**SDTRHR thanks all who participated in the
10th Annual
Spring Beach Ride, Walk & Bike**

Southern Delaware Therapeutic and Recreational Horseback Riding, Inc. (SDTRHR) would like to give a big thanks to all the individuals who participated in our 10th Annual Spring Beach Ride, Walk and Bike held at Cape Henlopen State Park on March 31, 2007. Thanks to everyone's effort we had a fun and successful fundraiser! All together there were 168 participants between horseback riders, walkers and volunteers who came out to support SDTRHR on this beautiful spring day. The grand total raised was \$10,539! Wow - a record year! The top fundraiser was Debbie Smith who raised \$1561 and the second highest fund raiser was Jeremy Henley who raised \$642. The top SDTRHR fundraiser was Alex Layton who raised \$420 and the second highest SDTRHR fundraiser was Olivia Davidson who raised \$395. All proceeds directly benefit SDTRHR, which provides equine-assisted activities to adults and children with physical, emotional and mental needs in Sussex County. The money raised will go toward horse care for the programs four-legged therapists and rider scholarships, which enables riders to participate regardless of financial ability.
